deckberg@bpmlaw.com

PRACTICE AREAS:

Business & Corporate Law, Construction, Employment Law, Professional Liability, Real Estate

OVERVIEW

David K. Eckberg is an attorney with the Seattle based law firm of Betts, Patterson & Mines, P.C. He has been practicing law representing engineers, architects, land surveyors and consultants for over 30 years. He has both masters' and bachelors' degrees in Civil Engineering and worked as a surveyor and an engineer before attending law school. His law practice involves counselling clients on appropriate risk management practices to minimize professional liability, representing clients in disputes, assisting in licensing and business practices, including contracting and commercial transactions, assisting in ownership transition and exit strategies, including internal and external ownership transfer and counselling on proper closing down of a business to minimize liabilities.
