

Women of Harmonie: *Helping Women Succeed in Today's Legal Environment*

The Harmonie Group is pleased to announce our new series focusing on women in the legal industry and the issues facing them in today's complex environment. Our aim in creating this group is to be a resource for women by providing opportunities for education, networking, and support.

Please join us for our first conversation featuring Harmonie attorneys and our valued industry guests.

Session I: Profiting from Gender Diversity

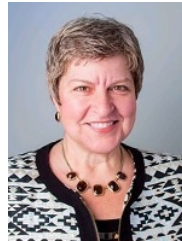

- Behind the Statistics are Great Opportunities: Ways to Stand Out
